

Unity Church of San Antonio Community Giving Committee

The purpose of the Community Giving Committee is to provide recommendations to the Board of Trustees for giving opportunities to non-profit organizations within the Unity church of San Antonio (UCSA) service area as part of the UCSA tithing commitment. The focus will be on smaller non-profits without corporate or grant funding opportunities.

The committee developed the following criteria for the recommended non-profit organizations:

- Must qualify as a 501(c)(3) organization or a single event in alignment with UCSA principles. Religious entities are excluded.
- Provides local services primarily in Bexar County and surrounding areas.
- Provides a mission and values statement congruent with UCSA mission/vision/values.
- Provides documentation of financial integrity.
- Provides evidence that the organization is operating and providing the services as promoted. If available, documentation of results is provided.

Using the above criteria, the committee will recommend qualified organizations to the Board for consideration. We are excited about this new opportunity to radiate God's light outside of our congregation and hope you are too. Join with us in this joyous endeavor by sharing with us your ideas and recommending non-profit organizations that you believe would benefit from our donations. Contact us through the UCSA Office or any member of the committee. We would really like to hear from you.
