Please note your tithe, donation, or intentional giving to Unity Church of San Antonio is **fully tax deductible**. Unity Church of San Antonio is designated a 501(c)(3) non-profit organization. We send Intentional Givers documentation for tax purposes via the U.S. Postal Service regularly.

Is Tithing Different Than Donating?

Donating money to a worthy cause is a wonderful thing to do. It's one of many ways to support a consciousness of prosperity. But does it differ from tithing? When we tithe we designate a tenth of our income *to an organization or person that **spiritually supports us**. It is not a "donation" to a charity.* In Unity, there is no obligation to tithe, but we know tithing to be a powerful act that cultivates and expands one's prosperity consciousness. We invite you to decide the amount or percentage of your income that is meaningful to you.

Our hearts are profoundly grateful for any amount you can intentionally give. Without a doubt, such an act demonstrates your beautiful heart of generosity, and we thank you!

"For where your treasure is, there your heart will be also." - Matthew 6:21

"Tithing establishes method in giving and brings into the consciousness a sense of order and fitness that will be manifested in one's outer life and affairs as increased efficiency and greater prosperity." - Charles Fillmore (Prosperity p. 141).
